Principal's Column

Reading Data Meetings:
At Bracken Ridge State School, we are very focussed on ensuring that all children improve their Reading, with every child across the school having an individualised Reading Goal. Last week, teachers worked with our Head of Curriculum, Louise Celledoni, our Support Teacher: Literacy and Numeracy, Sam Hawton and our Deputy Principal, Mr Ben Laws, to review and track all students’ Reading achievement across the school. Following this, teachers created action plans, to support the improvement of all students’ Reading. When reviewing the data from the end of Term 2, we discovered that across the school, most students met or exceeded their Reading target, with some classes achieving 100% of students meeting or exceeding their target. This is an amazing achievement, and is a testament to teachers’ focus on improving students’ Reading and ensuring that every student is in their “Learning Zone” – challenged just beyond their current capability. A HUGE thanks to our teachers who work tirelessly to enhance outcomes for Bracken Ridge State School students!

Enrolments for 2017:
At the time of year, we start planning our classes and staffing for 2017. If you have a child born 1 July 2011 to 30 June 2012, we would encourage you to pick up an enrolment form for Prep as soon as possible from our office staff. Mr Ben Laws and I will commence enrolment interviews this Term, in readiness for creating classes for next year. We are also welcoming enrolments for students entering other year levels as well. Should you have neighbours or friends who are interested in attending in Bracken Ridge State School in 2017, they can:

- Join one of our school tours between 10.00 and 11.00 am, every second and fourth Tuesday of the month;
- Make a time for an interview or school tour with Mr Ben Laws or myself;
- Attend our next Prep Open event on September 1, 2017;
- Email or phone Mrs Carol Fisher for an enrolment form – cfish63@eq.edu.au

As a school we have a lot to offer - caring and nurturing staff, high expectations, a number of extra-curricular activities, sporting programs, and parent-engagement activities. Please help us to promote our wonderful school!

Parent Information Session: Building the Culture at Bracken Ridge State School:
Thank you to the parents and staff who attended our session last night in the library. During the session, we were able to outline and dispel a few myths about our Neuroscience and Mindfulness approach, as well as explain in detail many of the processes, plans, programs and approaches we have in place to support our students in their learning and behaviour. We will be running another parent information session at 2.00 pm in the near future, to catch parents who are able to pick their children up in the afternoon. Please look out for flyers and Facebook updates for details!

Ladies afternoon:
Thank you to Robyn Brown for organising our first “Ladies” event last weekend. It was lovely to see parents and staff come along for an afternoon of fun and conversation. We’re hoping to host another function in the near future!

Best wishes,
Melissa Burke.

District Maths Competition
We currently have a number of teams preparing to compete at the District Maths Tournament on Monday 5 September at Brighton State School. A big thank-you goes to Mr White who is working with the teams to prepare them for this competition.

Rumble's Quest
Later this Term, students in Years 1 - 6 have been invited to engage in a trial of Rumble’s Quest. This is an online game that has been designed to measure student wellbeing, in particular their:

- attachment to school
- supportive relationships
- social and emotional confidence
- self-regulation and pro-social behaviour

Our school has volunteered to participate in the second phase of this trial throughout Australia in partnership with research being conducted through Griffith University. This is perfect timing to gather some baseline wellbeing data on our students about their social/emotional wellbeing.

The online quest incorporates tasks that challenge children to exercise:

- impulse control and the ability to inhibit impetuous reactions
- focused attention and the ability to ignore distraction
- working memory and ability to use the information we hold in mind to plan ahead and solve problems

These types of skills are executive functions that underpin learning, forward planning and the ability to set and achieve positive goals, the ability to manage our behaviour and emotions and to consider the consequences before engaging in action. They are fundamental to making responsible decisions, getting along with others, and coping with difficult circumstances.

The quest should take students approximately 40 minutes to complete. These will be undertaken in class groups early next Term. The data collected will be collected centrally and used statistically to gather de-identified data about student wellbeing. Schools will have access to raw data to inform teaching and learning sequences. If for any reason you do not wish your child to participate, please send an email to myself: blaws19@eq.edu.au

For more information on the game visit https://www.realwell.org.au/tools/rumbles-quest/
Year 5 Camp

Year 5 Camp will be held from Wednesday 31st August through to Friday 2nd September this year. It will be held at the same venue as last year – Camp Somerset. Notes were sent out this week detailing payment requirements and the documentation that needs to be returned before children go on Camp. It is extremely important that the Camp is fully paid for and all documentation is returned, otherwise unfortunately children will not be able to attend. Children’s participation in the Camp will also be based upon meeting certain behaviour requirements, incorporating their attendance and attitude to their schooling. Class teachers, as well as myself, have had and will continue to have discussions with the students around this and will organise times to speak with parents if necessary.

Student Success and Well Being Focus

Term 3 Overarching Theme:- STRONG, BRAVE AND COURAGEOUS

Unpacking the Theme

1. Transitioning and Lining-Up
2. Persistence
3. Teasing/Harassment vs Bullying
4. Using Manners
5. Compliance and Respect
6. Mutual Respect
7. Gratitude
8. Independent transitioning (going toilet etc)

Each of these themes will be a continuing focus during Term 3 in all classrooms, not necessarily week by week but more organically as part of daily routines.

Other areas of focus for Term 3 include:-

• Gold-Silver-Bronze criteria (revise and refine)
• Review of Responsible Behaviour Plan
• Supply teacher folder (with a behaviour lense)
• Data collection and analysis
• Development of toileting process

Due to the feedback provided to the SSW committee as well as the reality of how many students were out classrooms at any one time, we have decided to tighten up the toileting process. Students are now asked to sign in and sign out when they leave the classroom to go to the toilet. Students are also asked to wear a lanyard when they are going to the toilet. The expectation is still that students attend the toilet in pairs. There should be no need for more than two children to be out at the toilet at one time.

The intention of developing this process is around reducing the number of students leaving the classroom, the number of incidents occurring during class time and the damage occurring to toilets. There has been a measurable differences in the number of students exiting classrooms.

All staff are also wearing high visibility vests when on duty. Use of the vests is to minimise the number of students indicating that they are unable to see a staff member when on duty.

Fundraising considerations:-

1. 5c collection (cream pie on teachers)
2. Chocolate Drive (Weeks 2 – 4)

Thank you to families for the wonderful support you have given to our School with the Chocolate Drive. It is now time to think about bringing any money collected back to the School office. The support and effort that parents and students have shown towards this fundraiser has been overwhelming and greatly appreciated. Our thanks must go to Mrs. Buckley for her incredible organisation and Mr. White for all of his help as well.

PREP ENROLLMENTS 2017

We are currently taking enrolments for PREP in 2017. If your child is born between 1 July 2011 and 30 June 2012, they are eligible for PREP next year. Please call into the school office for an Enrolment Pack or alternatively, contact Carol Fisher on 3869 7888 or email cfish63@eq.edu.au to organise this to be sent to you.

SCHOOL TOURS

School Tours will be commencing on the 2nd and 4th Tuesday of each month from 10.00 - 11.00 a.m. commencing in August. If you know of any families who might be interested in having a tour of our great school, please contact Carol Fisher on 3869 7888 or email cfish63@eq.edu.au to organise this.

CHOCOLATE DRIVE

Thank you to our families for the wonderful support you have given to our School with the Chocolate Drive. It is now time to think about bringing any money collected back to the School office. The support and effort that parents and students have shown towards this fundraiser has been overwhelming and greatly appreciated. Our thanks must go to Mrs. Buckley for her incredible organisation and Mr. White for all of his help as well.

**VOLUNTARY CONTRIBUTION SCHEME**

Thank you to all parents who contributed to the Voluntary Contribution Scheme in Term 1. Your financial contribution helps the School enormously. The Voluntary Contribution Scheme is not a school fee but a voluntary financial contribution to the school. This is used for many consumable items that students use "behind the scenes" throughout the school year which is not a part of their class Book List. These include photocopying costs, white paper, coloured paper, cardboard, art and craft supplies, etc. The costs for this is $40.00 per student per year or $10.00 per Term. Your financial assistance is greatly appreciated and will be put to very good use.

**National Collection of Data on Schools Students with Disability**

Collecting data on students with a disability helps teachers, principals and education authorities support the participation of students with disabilities in schooling on the same basis as students without a disability. All Australian Governments have agreed to work together on the annual collection of data on school students with a disability. Please be reassured that the Department will not provide another organisation with any data that can identify an individual student. The only data being collected at the school level to be reported nationally is:

- the number of students in the school who are provided with an adjustment to address a disability;
- the level of adjustments we provide for those students; and
- the broad category of disability.

Consultation with parents is important not only for the data collection but also to ensure you are aware of the adjustments being provided to support your child. We will therefore continue to consult with you. While only data that cannot identify your child will be submitted outside of the Department, if you do not wish for your child’s details to be included, please advise the school of such. Information and facts sheets are available to help you make a decision from the following websites.

CHAPPY NEWS

SU Holiday Camp. In the June/July school holidays, I directed the annual SU Holiday Camp – Winter Mapleton Adventure Camp. This was a fantastic Camp for Years 5’s & 6’s in the North Brisbane area. It ran for 5 days and consisted of adventure based activities such as abseiling, canoeing and archery as well as high energised, fun activities.

Thank-you to Phil Henley at Steadfast Realty Qld who has made a generous donation towards helping students attend the upcoming Scripture Union Qld Holiday Camp – Winter Mapleton Adventure Camp. Phil is a supporter of School Chaplaincy and also sees the value and importance of students attending camps. Thank-you Phil for your generosity once again.
WILL I BEE FOCUS TERM 3: STRONG, BRAVE AND COURAGEOUS!

As you know, this Term we are all striving to bee STRONG, BRAVE AND COURAGEOUS. One way we can do this is to bee compliant. This means following all the school rules and the directions of your teacher. In our hive, we also have rules and these need to bee followed so that all our work gets done in a calm, orderly manner. It's the same at school but if everyone works together, then great things happen. I look forward to
