Principal's Column

Welcome back to Term 2! We trust all our families had a safe and relaxing break.

This term, we welcome a new teacher to our Year 2/3 class, Mrs Trudy Callaghan. Trudy has had extensive experience working in schools in Queensland and in the United Kingdom, as well as working in curriculum leadership positions. Trudy also completed a number of relief days at the school towards the end of 2015, and is already familiar with some of our students from this class. Trudy also spent some time meeting and familiarising herself to students on Tuesday and Thursday, and has made herself available to meet parents on Thursday afternoons. Trudy will also be holding a parent information session on Wednesday, April 20 at 6:00 pm in the Year 2/3 classroom. She will also conduct parent-teacher interviews towards the end of Term 2. Parents will be informed of the time and date of these meetings later in the term.

Parent-Teacher Interviews:
Thank you to the parents and staff for attending our Parent-Teacher Interviews on Wednesday evening. We hope that parents found the flexibility of using the PTO online system helpful in choosing appropriate times to meet with your child’s teacher to hear about their progress. These meetings are invaluable, not only for discussing your child’s progress, but for also celebrating their successes and achievements. Through meeting your child’s teacher, you also have the opportunity to express any concerns or ask any questions. Should you have missed this opportunity for a meeting, I encourage you to make contact with your child’s teacher as soon as possible to arrange an alternative time. A HUGE thanks to our office staff - Mrs Elwynne Buckley for her work in getting the online booking system up and running in preparation for Parent-Teacher interviews this week.

ANZAC Day:
We welcome all community members to join us at our ANZAC Day Ceremony on Friday April 22, 2016, a moving and significant event in our school calendar. We will also be joined by the members of the Sandgate RSL, who often stay for morning tea afterwards.

Our students and staff will march together as a school at the Sandgate ANZAC Day March on Monday, April 25, 2016. We would love to see as many of our students, parents and staff as possible so we can represent our great school. Last year, our students were the best behaved in Bramble Bay! Unfortunately, I will be unable to attend this year as I will be watching my father, a Vietnam Veteran march in the city. However, my thoughts will be very much with our School Community in Sandgate.

Concerns About Bullying:
One of the most common concerns raised at most schools, is that of bullying. No doubt some students engage in bullying behaviour more than others but closer examination of these children often reveals that they themselves are, or have been the victims of bullying.

In addition some of what is termed “bullying” is a one off event of teasing, arguing or physical fighting. Students sometime use the term “bullying” to describe these one off events even when they have taken an equal part in the exchange.

Bullying involves an imbalance of power where a physically, mentally and/or emotionally stronger person exerts a form of control over another person. It can be a one off event but is often an ongoing sequence of intimidation, threats and harassment. In a situation where there is a power imbalance, one person or group has a significant advantage over another, and if this power is misused, this enables them to coerce or mistreat another for their own ends. In a bullying situation this power imbalance may arise from the context (e.g. having others to back you up), from assets (e.g. access to a weapon) or from personal characteristics (e.g. being stronger, more articulate or more able to socially manipulate others). This is the behaviour that can cause long term emotional and psychological damage and is never tolerated at school.

Teachers and other staff will not always be aware that bullying is occurring – it is seldom done openly. Students are sometimes reluctant to report genuine bullying behaviour for fear of retribution or fear of being labelled a “dobber”. However it is important that it is reported so that it can be addressed. For this reason I would encourage parents to talk with teachers, Ben Laws or myself as soon as they are concerned that bullying may be occurring, as we believe that everyone has a part to play in maintaining a safe and happy school environment.

- Reassure your child that they are not to blame and ask open and empathetic questions to find out more details
- Discuss with your child some sensible strategies to handle the bullying – starting a fight is not sensible

The Bullying. No Way! website provides a lot information about bullying and how parents and schools can work together: https://www.bullyingnow.gov.au/

Learning Walks:
Last term, Mr Ben Laws and I completed Learning Walks in every classroom and provided the students’ feedback to teachers to inform their own goal setting for teaching and learning.

What is a Learning Walk?
A Learning Walk is an opportunity to hear student voices about what was taught and what they have learnt. States Greenan (2011): “By recognising the relationship between understanding the curriculum expectations; communicating what is expected to students; constructing success criteria with students in a language that they understand and connecting it to their work; creating meaningful and rich tasks; and using student-based assessment in the classroom that allows all student work to be honoured and viable learning targets to be established by peers and self, all students will forge successfully into the 21st Century”.

What happens during a Learning Walk?
During a Learning Walk, five students are selected to answer the following questions:

1. What are you learning?
2. How are you doing?
3. How do you know?
4. What do you need to do to improve?
5. Where do you go for help?

Students will be interviewed during your Literacy Block so that they understand the context in which to respond to the questions. This is a great way to find out:

- Do students get what we have taught?
• Do students know how they are being assessed?
• Do students know what they are being assessed on?
• Do students know what they need to do to complete the task?
• Do students know what they need to do to be successful?
• Do students get feedback that helps them to reduce the gap between where they are and where they need to be?
• Do students know where and how to get help?
• Do students have a learning goal that they are working on? Do they know this goal?

Some of the responses we received included:

1. What are you learning?
   "I think I’m doing pretty well because I can answer most of the questions and I look at the poster" - Year 5 student

2. How are you doing?
   "I think I’m doing pretty ok. I’m not doing really, really good because I’ve made some mistakes, but I’m learning from them, like putting in more paragraphs" - Year 5 student

3. How do you know?
   "Because I wrote a lot and I’m working hard on it" - Year 4 student

4. What do you need to do to improve?
   "Add some more detail and add more opinion to make it more exciting. I looked at my text and there wasn’t a lot of opinion. I mainly wrote about what happened" – Year 4 student

5. Where do you go for help?
   "I didn’t need help – I was in my learning zone – in my PFC" - Prep student

Reading Action Plan Reviews:
This week, Mr Ben Laws and I reviewed the Reading Action Plan devised collaboratively with each teacher to improve the reading capability of every student in the class. At the meetings, teachers were able to share reading data, how they have actioned their plan, and discuss student improvement and achievement. This is in preparation for Reading Data Meetings over the next two weeks, in which we will be reviewing how students are progressing in their reading against our school targets, and what teaching and support each student needs to reach this target.

Best wishes.
Melissa Burke

Deputy Principal’s Column

Welcome back! I hope everybody had a restful and enjoyable holiday and was able to make the most of the beautiful weather (after the Easter weekend).

Next Friday we have our school’s ANZAC Ceremony from 9:00 am in the School Hall. I would like to invite all parents and community members to attend this service.

Our students have also been invited to march in the Sandgate Anzac Day Commemorative March on Anzac Day Monday 25th April. Our school leaders will be representing our school as well as any other students and families who would like to march and represent Bracken Ridge State School.

This term we also have a number of other events to follow.

ANZAC Day March
As mentioned, traditionally we march as a school together with other groups in our community at the Sandgate ANZAC ceremony. All students are invited to march with our school on Monday 25th April. Please ensure a full school uniform is worn with school hats.

Interschool Sport
This term our school is committed to having all Year 4 – 6 students participate in, either Soccer, Netball or Rugby League as part of the Interschool Sport program. This will run weekly from Friday from 20 May to 17 June. This program will also take place in Term 3 of this year.

Feedback from our students indicated the reasons for decreasing levels of participation over recent years in interschool sport was because of:

• little knowledge of the sports and skills needed to participate;
• apprehension around engaging in the sports and failing.

With this in mind, in Term 1 it was decided to build children’s skills, knowledge and confidence before participating in the Inter School Sport program for Term 2.

Inter school sport allows the students to develop a range of skills:

• participating as part of a team;
• adhering to rules;
• developing a knowledge of a range of sports;
• interacting with students from our school and students from other schools;
• displaying sportsmanship.

Interschool sport also gives students an opportunity to try a sport in a supportive environment at little cost to parents. We would envisage that all students will participate. We are teaching our children that it is okay to feel uncomfortable and anxious, while being in their learning zone.

Letters for interschool sport and parental consent forms will be sent out shortly.

Because we are committed to all students participating in Inter School Sport and if finance becomes a problem, please make contact with our Business Services Manager, Elwynne Buckley or our Admin Officer Carol Fisher.

Thank you and I look forward to sharing more in the next edition of the newsletter.

**Cancer Morning Tea**

Just a little note to remind you of our *Cancer Morning Tea on Wednesday 25th May.*

Please do try to come and help raise money for the Cancer Foundation. Please ask family and friends to come along and see your child perform with their classmates.

Details for the organisation of the event are still being organised.

A note with more information regarding the event will be sent out in the coming weeks.

Regards,

Ben Laws

**VOLUNTARY CONTRIBUTION SCHEME**

Thank you to all parents who contributed to the Voluntary Contribution Scheme in Term 1. Your financial contribution helps the School enormously. The Voluntary Contribution Scheme is not a school fee but a voluntary financial contribution to the school. This is used for many consumable items that students use "behind the scenes" throughout the school year which is not a part of their class Book List. These include photocopying costs, white paper, coloured paper, cardboard, art and craft supplies, etc. The costs for this is $40.00 per student per year or $10.00 per Term. Your financial assistance is greatly appreciated and will be put to very good use.

Sports News

**Congratulations** to Declan Jupp who has been selected in the Bramble Bay U12 Soccer Team. Declan will play at the Metropolitan North Carnival which is being held at the Pine Hills Soccer Club on the 27th - 28th April. We wish Declan 'Good Luck' at the Carnival as he attempts to make the Metropolitan North Team.

**Fantastic Fraser!**

The Inter-House Cross Country was conducted last Term under steamy conditions. The very first Inter-House competition for 2016 saw old rivalries reignite resulting in a very close hard fought competition throughout the day.

Congratulations to all students who competed as it was fantastic to see the House spirit and pride demonstrated throughout the Carnival, especially the support shown to fellow students and the willingness to dig deep and "have-a-go".

Fraser amassed an amazing 1236 points to take overall victory on the day. Moreton were not far behind on 1185 points and Stradbroke tried hard and scored a very creditable 1004 points.

Congratulations Fraser on your excellent victory!

A very big thank-you to all parents who came along once again supporting our students. Your continued support and encouragement is very much appreciated.

A very big thank-you must also go to our Year 6 House Captains for organising their teams and leading the War Cries throughout the day. We also thank our House Captains and Mr. Sean Wallace for his hard work in setting up the Cross Country as well as Sue Williams from Bracken Ridge Little A’s who generously provided the facilities and equipment for us to use. Their continued generosity is very much appreciated and epitomizes the wonderful ethos of the clubs that call McPherson Park home.
